May this prayer be valid now and forever for me _____, for my family members _____, for my friends _____ for my animal friends _____, for my loved ones who live in the spiritual dimension (names of my loved ones including the names of pets) _____ for the whole planet earth, for all her creatures of love and for all those who need purification, liberation, protection and healing and don't know how and to whom to ask in the name of Love with the maximum authorization of their Divine Soul/Self, in respect of their free will.

Archangel Michael, I ask you to purify my intentions, words and actions and to help me aligning myself to the Frequency of the Purest and Unconditional Love, do the same with my loved ones with the authorization of their Soul/Divine Self.

Archangel Michael, purify, free, protect and heal the whole mother earth from the ego, all the energetic places, the animals, the plants and all its creatures of true and pure love, visible and invisible, all the technologies of love, the cars, all means of transport, our houses, public and private buildings such as hospitals, airports, offices, hotels, healing centers, places of prayer, streets, houses, schools etc...

Archangel Michael, purify, free, protect and heal from the ego all works and commercial activities, love associations, doctors, pharmacists, teachers, hairdressers, naturopaths, healers, farmers, love activists, lightworkers, spiritual masters, psychic people, coaches, right fortune tellers of love, psychologists, trainers, journalists, radio and TV presenters, with the permission of Divine Love and the Free Will of those who work in these and other sectors.

- **I Revoke and renounce** Now and Forever all wrong ties or unions with obscured people or environments and works obscured by the energies of the ego that are incompatible with me and with my true loving nature.

Once this is complete, I request that my original Pure Love energy field is fully repaired and restored and that it's fully infused with the Energy of the omnipotent God/Goddess Father/Mother source of Light and Unconditional Pure Love.

I _____ declare that when I say no it is no and when I say yes it is yes!

And all that I _____ say and affirm in full awareness in my full power is law!

And so it is!

With my full divine power in the name of God/Goddess Father/Mother:

I, loving soul, recognized in this incarnation as _____

I revoke and renounce Now and Forever to all and each vow, agreement or contract of belonging or loyalty that now no longer serves my highest supreme good.

- **I dissolve, remove, revoke and renounce Now and Forever** to all vows of poverty and deprivation.
- **I dissolve, remove, revoke and renounce Now and Forever** to all vows of chastity, hen or celibacy.
- **I dissolve, remove, revoke and renounce Now and Forever** to all limiting and self-sabotage vows.
- **I dissolve, remove, revoke and renounce Now and Forever** all the vows related to the limitation on the health of my body.
- **I dissolve, remove, revoke and renounce Now and Forever** to all vows of union with dark people or energies.
- **I dissolve, remove, revoke and renounce Now and Forever** to all vows of obedience, enslavement, loyalty, cancellation of my own personal and spiritual power of any nature which are limiting my maximum affirmation on this earth and the divine plan.
- **I dissolve, remove, revoke and renounce Now and Forever** all the vows of deprivation and annulment of the pleasure, joy and infinite love that life offers me...
- **I dissolve, remove, revoke and renounce Now and Forever** all the contracts and agreements of this incarnation and in all my incarnations that I have done voluntarily or involuntarily, consciously or unconsciously, in all parallel realities, in all parallel universes, in all alternative realities and alternative universes, in all planetary systems, in all dimensions of the Universe, in all directions of time-space and wherever they are located in the mind of God.
- **I ask** to God/ Goddess Father/Mother and to the Archangel Michael to be liberated from all the pain, suffering, anxiety, stress, and fear energies that come from planet earth, from human beings, from animals, from my own kind, from the whole universe and from all existence in the visible and invisible, I ask God/Goddess that this pain is transmuted into pure love!
- **I _____ ask** to be liberated now and forever from any programming or belief system on the opposite that prevents me from being a pure divine love on earth!
- **I dissolve, remove, revoke and renounce Now and Forever** to all associations of love in pain and pain in love...
- **I dissolve, remove, revoke and renounce Now and Forever** to all forms of pain, anxiety, stress, fear and I choose the main path of Love in all my physical, mental, emotional, spiritual being and in all levels where I exist as an infinite soul, in every aspect of my life and my whole existence!
- **I dissolve, remove, revoke and renounce Now and Forever** to any vow, block, belief, contract, oath or promise made voluntarily or involuntarily, consciously or unconsciously that is causing me illness, pain or malaise; physical, mental, emotional, spiritual or other known and unknown levels.
- **I _____ choose** the path of spontaneous healing in all the levels where I exist **here and now!**

- **Thank you, Archangel Michael**, because I _____ am now immune and free from the need to suck the energy of my own kind acting as an energy vampire in the visible and invisible.
- **Thank you, Archangel Michael**, because I choose to stop a self-destructive process for me, for mother earth and for all humanity.
- **Thank you, Archangel Michael**, because through Love you teach us that the ego/dot is blind to Love and that in the frequency of the “dot” it can be saved and transmuted into Love but that “dot” accelerated to the umpteenth power would lead to the self-destruction of mother earth and the whole universe without any possibility of being born again or recovering from our mistakes.
- **Thank you, Archangel Michael**, because Divine Love protects us from the energies of the ego.
- **Thank you, Archangel Michael**, for teaching us how a small ego can become a big ego if energetically charged with energies of fear, anger, jealousy, judgment, control, hate, manipulation etc.
You teach us how it would lead humanity to self-destruction.
- **Thank you, Archangel Michael**, because history teaches us that the ego created nazism, racism, fascism, communism, exploitation, slavery, inhuman taxes, women burned alive, violated and abused, pedophilia, tyranny, violence, manipulation in all its forms, abuse, badness, these are forms of energetic vampirism that would lead to the self-destruction of mother earth, of all humanity and of the entire universe/cosmos.
- **Thank you, Archangel Michael**, because the Divine Justice if invoked in your name, STOP NOW THROUGH THE DIVINE LOVE the few who on earth/sky, plans and subtle dimensions, in the visible and invisible, have very egoic and wicked projects on earth.
- **Thank you, Archangel Michael**, because through the angelic experience you teach me that: when he is given a great spiritual or material power, the human being in the ego, wants to replace God by opposing to his divine laws just like the forces of the “dot”- ego who in his name want to replace the Source of Divine love hiding the manifestation of the new Earth.
- I _____ consciously choose to transcend the egoic system of control/abuse/manipulation/violence/tyranny/pain/suffering/death/fear/disease etc. of the third dimension called the matrix or dark hood, staying grounded to my beloved mother earth of pure love.
- I _____ consciously choose to transcend duality leaving the mass hypnosis of false beliefs, from the false balance of opposites, with false masks and energetic vampirism in all its forms in the visible and invisible!
- I _____ in communion of intent with the Archangel Michael, Mother Earth and all the Universe of Love, I ask to be purified, liberated, healed and protected by labels, egregore, forms of bullying, violent and angry judgment, curses, bad luck, dark magic, dark actions, black masses, spells, pins of any kind, badness, attacks of all kinds, insults, jealousy, envy, competition against my person, on my name and surname, my physical appearance, my image, my reputation, my integrity, my spiritual path, my work, my family, my friends, all my relationships of light and love, my creative expression, my dreams, my goals of love and my mission on earth.
- I _____ choose in communion of intent with God/Goddess Father/Mother and with the whole Conscience of the Archangel Michael to manifest a world of Love,

Peace, Perfect Health, Common Abundance for everyone, evolving with the forces of Divine Love.

- I _____ choose with my free will to continue my evolutionary path on earth vibrating in the frequency of love transcending and renouncing now and forever to the ego, to the duality and to all the dark forces in the visible and invisible, in a level where I can live free and happy, expressing my maximum creativity and maximum potential of Love, in communion of intent with all the creatures who, like me, have chosen the main way of Love with the utmost protection of my Beloved Archangel Michael in the name of God/Goddess Father /Mother!
- Archangel Michael, thank you because you have closed all doors and portals to the dark forces now and forever, in the visible and invisible, in my personal space, in my home, in my car/motorcycle, objects, technologies, equipment, machines, mobile phones, pc, internet connection, in the whole mother earth and for all her creatures of love.
- Archangel Michael may all places deconsecrated in the eras of linear time, in our Beloved Earth be purified, liberated, healed and protected in the name of Love!
- Make the electromagnetic field of the earth rebalanced and restore the new frequency of love and so it is!!
- Archangel Michael, thank you because I _____, mother earth and all that is Love on earth in all its forms and expressions, are now protected, immune, invisible, untouchable, unassailable and impenetrable from darkness, in the visible and the invisible.
- In the name of Divine Justice, Archangel Michael, thank you because all sentient beings can make their choice in a sacred, harmonious and protected space, so that their choice will be conscious, in full presence being grounded in mother earth!
- In the name of Divine Justice, Archangel Michael, thank you because all the dark masks have fallen off!
- In the name of Divine Justice, Archangel Michael, thank you because all those responsible who consciously or unconsciously, in the visible or invisible, are privileging the dark forces of the ego and are destroying the earth, the whole of humanity, the animals, the woods, the plants, the seas, the lakes and all her creatures of Love, THANKS TO THE DIVINE JUSTICE can now have the possibility to make a conscious choice in love and peace, having the possibility to find the inner humility to change things in the name of love, without being judged, with your maximum purification, protection, healing and liberation from all energetic and karmic debts but only in the name of love and so it is!
- In the name of Divine Justice, Archangel Michael and in the name of God /Goddess Father/Mother, thank you because the good and the righteous ones can know the truth and be protected and helped by Pure Divine Love in order to live a wonderful, enlightened and joyful life in the infinite common abundance for all, helping to manifest the new paradigm of Love for all those who have chosen Love!
