A new collection of amazing tracks that are known for their ability to transform a scene into something awesome. As you listen to these, you will recognize how carefully and cleverly they were composed with great attention to detail. They will also notice that, although the drums are strong and creative, the guitars are smooth and quiet. This put this album somewhere in the world of soft rock, melodic country, pop and smoother rock. According to the up tempo rock, country and hard rock songs are very good, while trance and very pop are very poor. The blues are fairly rich in volume and have a

solid middle volume. The order of the volume is very good with a surprising amount of energy. Light to medium bass and treble are very nice in which the rest is a bit louder and darker. Most of the tracks are not completely used of all on the album. Nevertheless, the very vivid and pleasant tracks at the album deserve to be in this list. The reasons are the ability to feel the atmosphere behind the scenes and the number of great tracks on the album. CryoFM Volume 2 - Digital Release MP3, FLAC, SHN.
