## What's New In PerfectDisk Enterprise Console?

Administrators have the ability to centrally manage workstation defragmentation, move all of the device from one server to another and more. See the powers of PerfectDisk Enterprise Console in our short video below, or visit our website at: [www.perfectdisk.com](http://www.perfectdisk.com). The Fastest File Transfer Software in the World! Free transfer programs like Commotion.com can't match PerfectDisk. Free programs only transfer files and directories one at a time, instead of streaming. PerfectDisk uses advanced file technology to copy files in parallel. The result is faster transfer, while reducing stress on your server and computer. PerfectDisk is 100% compatible with Windows file sharing protocols. More Details...
