

## Download

In this video, I'll show you how to download and install a portrait filter for passport photography and more. To do this, we need the Snapseed app. I hope you enjoyed this lesson. Please don't forget to give me feedback, comments below. And I will be very happy to help you further. Please subscribe to the channel and hit the bell to be notified every time I release a new video. If you have any questions, please post them below. I am always happy to help you. Please share the video and if you like, watch my video.
